Guest Look Up Function (GLU)

Stores and recalls previous balances including up to 50 items per guest when a GLU code (auto/ manual 1~50) is entered plus you can accept re-orders and issue bills. Each GLU is cleared on pressing "GC Receipt" or "NBAL" + "GC Receipt". Printing style on Guest check receipts is programmable to include "PBAL" and "NBAL". Use "Open GLU" to make new guest entries which can be checked for "Authority" to use with a warning indicator.
